Dear Mr. Sower:

Re: Milford Distribution System
Account 33-18b

On January 29, 1996 I spoke with Tim Marshall and from that conversation determined that this account should be split between him and Circle Four Realty. We requested payment of \$151.96 from you and \$50.65 from Mr. Tim Marshall, which we have received. We thank you for sending your payment. However, since receiving the payments we have done some in-depth research and found that the total assessment of \$202.61 should have been charged to Circle Four rather than split between Circle Four and Mr. Marshall. Mr. Marshall's portion was already being assessed under 33-18a and your portion was being assessed under 33-18b.

We apologize for the error, but unfortunately we need to ask you to remit \$50.65 in order to pay your assessment in full. We will credit Mr. Marshall's account 33-18a with the amount of payment he sent.

If you have any questions, please feel free to call me next Monday, as I will be out of the office the rest of this week. My number is 538-7431.

Sincerely,

Bonnie D. Duncan
